

Joan Eggett

September 15, 1945 - December 31, 2016

Joan Marline Eggett, 71, of Yuba City, CA, passed to heaven into the loving arms of her Lord & Savior Jesus Christ on December 31, 2016. Joan (Pendley) was born on September 15, 1945 in Denver, CO. She was raised in Oakland, CA, then traveled around the world dancing and singing with the Great Americans. She met the love of her life, Billy, at Alameda Jr. College. They were then married on February 16, 1974 and blessed to have spent almost 43 wonderful years together! She was on the board of the Yuba-Sutter Women's Aglow and Hearts Being Healed in Chico, CA and was an ordained Bishop and loved to minister the gospel in various capacities for almost 25 years! Joan was preceded in death by 6 precious children and her loving parents Marie and Malcolm Pendley, siblings and friends; she is now rejoicing with them in Heaven! She was a beloved and devoted wife, daughter, sister, friend and Spiritual Mother to so many. She was lovingly known to many as Moma Joan! She is survived by her beloved husband Billy Eggett of Yuba City, CA and many others who loved her so very much! Since she came to know she was "precious" in Jesus' sight and knew we all were too to Him and to her, she would lovingly call so many "Precious"! Moma Joan blessed countless loved ones with her yummy brownies too! She will be very missed by all who loved her which included many brothers and sisters in Christ. Joan's services will all take place on Friday, January 13, 2017: Visitation from 10:00 a.m. - 12:00 p.m. at The Bride Church, 655 Colusa Hwy., Yuba City, CA 95991; followed by a Graveside Service at 12:30 p.m. at Sutter Cemetery, 7200 Butte Ave., Sutter, CA 95982; then a Celebration of Life will take place the same day at 4pm at Hope Point Nazarene Church, 600 N George Washington Blvd., Yuba City, CA 95993. Pastor Bob Ouzts of The Bride Church of Yuba City will officiate her services. In lieu of flowers, you can make a contribution in loving memory of Joan to The Bride Church/Lydia's House or a charity of your choice.

“ Met Joan in 1992 through Mylene Wesson at the Maryville Aglow Chapter; she was the Speaker. God connected our life's from that point to the present. She always opened her house, her heart to anyone hurting, needing to be strengthen in their Spirits. She was a INTERCESSORY to many; was a SPIRITUAL MOM too MOST. ENCOURAGER and BROWNIES MINISTRIES TOO ALL. SHE LOVED MY FAMILY. We had just talked 2 days before and now she is gone. MISSING YOU.

“ Joan and I met at Women's Aglow in Danville, CA when we both lived in Livermore. Joan began to serve the moment she arrived. She soon became our Prayer Chairwoman. Then we joined with 3 other Livermore Aglow Women to study scripture and minister to each other. When we finished a study series, we planned a date to play, dine and pray most of the night. God met us and matured us during this season. My friendship with Joan continued over 20 years or so with many adventures along the way. Her nickname for me was "Tiny". When she named me, I asked her what I could call her and she said "Brownie" (of course, she referred to her very special brownies). We rarely used our given names after that day. Brownie covered everything in prayer and I am forever thankful for the privilege to know her. She always loved people with the love of her Daddy (God), sharing Jesus wherever she went. While I rejoice at her graduation to heaven, I will miss sharing the kingdom on earth with her. She will always be in my heart. Billy, may the God of all comfort carry you through and bring pleasant memories to mind in the days ahead.

“ I too first met Joan at one of our Hearts Being Healed meetings in 2012. When she arrived I felt the atmosphere shift, and it would always do so whenever she entered a room. Joan was so overflowing with the Holy Spirit that everything and everyone around her changed as she moved through life. The Bible often says, “and Heaven came near” when it speaks of Jesus’ movements among people, and that is the same Holy Spirit that moved among us when Joan was present. Two qualities she carried with her that made up so much of her character were Shalom and The Zeal of the Lord. Joan carried the essence of Shalom with her; the abiding peace from God that encompasses all the richness of wholeness and abundant life that brings peace regardless of circumstances. She was driven by The Zeal of the Lord, the protective, passionate love that God has for all of us, and therefore Joan had for us all. None of us will ever be the same after meeting and falling in love with Joan. Dear Billy, my deepest and sincerest condolences. I can’t imagine the hole Joan’s passing makes in your life, but know that Joan’s love for you will never die, and she left a whole lot us here to see that you are well loved and cared for in her absence. May the Lord bless you and keep you. May the Lord make his face to shine upon you and give you peace. Shalom.

Love and prayers,

“ From the first time I met Joan, I knew we would become good friends. Of course, we would, Joan was friends with everyone. We met at a board meeting for Hearts Being Healed in 2012. She was chosen to be a speaker for our 2013 conference. We all fell in love with her from the first time we met her. She was an inspiration to us all. She would become a cherished board member. She also became our Bishop, our Spiritual Mama. Boy, could she pray. She was a prayer warrior. It became obvious that she was sent to us. She was a gift to Hearts Being Healed. What a precious gift!

Joan loved God and made it her purpose to love all people well. She would call everyone she met "Precious". She would talk about Him wherever she went. It didn't matter what anyone thought; she was bold in her love for the Lord. Whether she was eating out a restaurant or shopping at a store, she called those she came into contact with "Precious". She knew we were all created as precious sons and daughters of God. She made sure everyone knew that. Another thing Joan liked to do was to bake brownies and bless people with them. She wanted people to know they were sweet to God. She made the best brownies. I never did get her recipe.

Joan loved her Billy. Billy was her husband of 42 years. She loved him with great devotion and affection. The way she spoke about him was with great admiration. She praised him always. There was never a doubt they loved each other.

Joan lived every day with intention. She was put on this earth to glorify God and she would do just that. She wanted everyone to know Jesus and His love for them. She was God's heart for people. Joan would purchase Jesus Calling devotionals and hand them out to people she knew and met. She was God's hands and feet. She was an example of what it meant to be Jesus to the broken hearted. Joan knew how much God loved her and her life was a testimony of that love. With the love she received, she would in turn, love others.

As Joan inspired us in her life, she inspires us in her death as we remember who she was. Her memory challenges us to live-love-well. It's my desire to honor Joan by living life with intention and to be purposeful in my service to God and His people. I want to live the way Joan lived: bold, courageous, transparent, loving well, and with passion for the things of God. I want and hope to have the same impact on people the way Joan did. It is the only way to live. God calls each one of us to be His hands and His feet. We are to go into all the world and speak about Him to all people. We are to make His name known. Joan made His name known wherever she went.

She didn't take for granted her time on earth. She wanted her days to count. She wanted to make a difference and she did make a difference in our lives. Joan inspired us. She inspired me. We will forever be blessed by her love for people and her love of God.

Joan would want you to know how precious you are to God. The scripture in Psalm 139 speaks about the love God has for each one of you. Take a minute and allow this scripture to soak in. Begin to believe how precious you are. God loves you so very much. There is nothing you have done that would change the way God sees you: valuable and precious. Believe it, you matter to God!

Psalms 139:13-18

"For You formed my inward parts; You wove me in my mother's womb. I will give thanks to You, for I am fearfully and wonderfully made; Wonderful are Your works, And my soul knows it very well. My frame was not hidden from You, When I was made in secret, And skillfully wrought in the depths of the earth; Your eyes have seen my unformed substance; And in Your book were all written The days that were ordained for me, When as yet there was not one of them. How precious also are Your thoughts to me, O God! How vast is the sum of them! If I should count them, they would outnumber the sand. When I awake, I am still with You."

“ My condolences to you Billy. Needless to say I am saddened to hear of Joan's passing. We never met in person but began communicating through the Aglow list. She was always ready to pray and called me "Precious". She always had a word of encouragement through some of my hard times transitioning from New York to Florida. You have my prayers. May the comfort, peace and strength of the Lord be your portion always going forward. She is in the arms of her "KING". Abundant blessings.

“ Joan, you sweet Precious lady. You have clearly touched hundred ms of lives, wow! I had the privilege of treating Joan on occasion when she came to grace us with her presence in UC. I have been gone 4 years now, but will never forget our interactions. Dance every day with our Lord & Savior now! Oh the joy you must be experiencing!!!!

“ Oh Lord!!! What a shock to have heard this news, Billy! And, where did the time go? Joan and I go back to Aglow days in the 90's when we were Lighthouse Presidents in our North Bay Area and enjoyed extra worship together. How we loved retreats at Alliance Christian Redwoods and the various conferences where we'd catch up... It was so good to have not lost touch by her being on the Prayer Net all these years and holding each other up for HIS will above all else.

I am so saddened for YOU, Bill. Please know that you are in our prayers and that we will always have fond memories of the times we four visited each other...great times! Sending our love and condolences as the Comforter holds you close and your darling Joan just continues to worship her Beloved King!

His and yours,

“ I first met Joan at a Hearts Being Hearts meeting in 2014 where I was a speaker. She always called me precious and always told me the scripture that no weapon formed against me would prosper and every time it was like she knew I was going through a storm. She became my spiritual mother, always smiling, laughing, loving and praying. She was always available to pray no matter the time. It is still hard to believe that she is gone. She expressed to me one time that she would love to just go in her sleep to meet her daddy. I believe that daddy heard hr and called her home. I am sad for us who love her so much that we won't see her or hear her voice but I take comfort in knowing that she is celebrating and praising the Lord. Praying for Billy during this time. Sincerely, Norma Knight

“ I first met Joan at a Hearts Being Healed meeting in 2013. We would both be speakers that year. I truly believe that Joan never met a stranger. She treated everyone the way the Lord asks us to treat people, with kindness, warmth and love. Joan knew how to live, love, laugh and pray and did all of that well with love overflowing from her heart. It will be hard to look across the table at a meeting and not see her smiling back at us. Joan you will be truly missed! The sadness we feel is for ourselves. We know that you are singing and dancing in heaven with Jesus! We will be praying for Billy and your family. “ Three years ago this month I met Joan at IHOP. A friend was in town visiting and I was making breakfast.... the bacon had gone bad. So we went to IHOP. There seated next to us was Joan and her friend Sharon. During our breakfast we started talking and Joan ended up ministering to me and before we left she gave me her card with The Bride's name and address on it. Two months later I found that card and remembered her words. I went to The Bride that weekend and as I walked in the door I knew I was home. I found Joan and asked her if she remembered me,, of course she did. She said welcome precious and I have been at The Bride ever since. God placed her in the path of so many individuals and what a blessing she has been. I'll miss you my friend.

“ When I first stepped into the Bride church three years ago Joan hugged me and called me precious...It meant so much to me. Not long after that you and she shared your marriage vows and story with the congregation...Such a touching story of how love conquers all! We know where she is but we all miss her smile and encouragement. I was fortunate to have known her. A blessing to all the lives she touched! Billy, thank you for sharing her, and my prayers are with you, dear one.

“ Joan was so sweet to buy me a devotional "Jesus Calling" and had my name engraved on it! She did this for several women. She called us Precious, over and over until we believed that we were! She was always glorifying Jesus! Always positive, always kind!
I will miss her! But I'll see her again! I love you sister Joan! You are PRECIOUS in the sight of Jesus!

“ My dear sweet friend, today is the day they laid you to rest, you gave it your all, you gave it your best, now it's time for you to rest. I met Joan when she lived in Livermore, CA and she asked me to sing with her at Equator Faith Church in Oakland, CA. We became very close like sisters. We ministered together in Aglow Ministries. I became her armor bearer and we flowed together in the spirit very well.

Joan was my Matron of Honor when I married my husband and we remained very close. I really miss her a lot. I know that she is rejoicing in heaven with her babies and her mom and dad and I know I will see her again.

Billy, Rudy and I are praying for you that the Holy Spirit will comfort you, as He is the God of all comfort. Matt.5:4 "Blessed are they that mourn for they shall be comforted" Much love to you !!
