“ He has sense of humor. He makes everyone around him laugh and enjoy his jokes. Whenever I see him sitting by himself, I join him to make his day and see him smile. He loves to tease and share dirty jokes. That's who we love about him. It's not a good bye, we will see him later on the other side. God bless to the Stacy family. My condolences go to the family.

“ He is a very wonderful guy, has sense of humor and always makes people around him laugh and makes us enjoy him more. Has lots of dirty jokes. I really enjoy him so much. When I see him sitting by himself, I join him to chat, laugh and make his day the best out of it besides the sickness he had gone through. God be with him. He's in God's hands now, and he's watching us below to make sure we all are safe especially his family and close friends.. We all love him and will miss him. It's not good bye, we will see him on the other side. God bless.
