

Alishia Joy Gonzales

November 26, 1977 - March 14, 2016

Come to me my BELOVED Princess is what the Lord had said early Monday morning of March 14th, 2016 when my dear sweet sister Alishia Joy Gonzales was tragically taken from this earth.

Alishia was born November 26, 1977 in Auburn, California, to Rhonda Darlene Park and Rick McCullough. She was greeted into eternity by both parents and her entourage of Angels rejoicing at her arrival. Alishia is survived by her loving husband of 20 years Luis Enrique Gonzales and their 5 beautiful children, Laurice, Alyssia, Elianna, Elijah and Jahlia Gonzales. She leaves behind her only sister Tamsen Perry, along with her nephew Samuel, and 3 nieces Lily, Naomi, & Bethany Perry of Yuba City, Grandpa Hal Park of Illinois, Uncle Albert Park of Los Angeles and Uncle Huntley Park of Yuba City.

Alishia was a resident in Yuba City for 25 years. She loved GOD and loved to serve his people, She had such a sweet smile & kind spirit that would capture you within seconds of meeting her. She was a beautiful, genuine, loving mother, and a loyal friend who was a regular at the local Starbucks. She was a gatherer of people and was connected with the Bride Church, the church of Glad Tidings, The Rivers Foursquare Church, Praise Chapel and Calvary Chapel in the Yuba City area. She was a friend to the friendless, she was joyful, radiant, compassionate, and had a heart of pure refined gold... she will be missed and forever in our hearts.

Her Celebration of Life will be held April 2, 2016 at the Glad Tidings Church located at 1179 Eager Rd., Live Oak, CA. 95953 at 11:00 am with a Pot Love Banquet shortly to follow. Please send condolences and flowers to the Church of Glad Tidings. My sister loved the color purple and roses, lilies & carnations.

There is a "Go Fund Me" account set up for the Gonzales family, please donate via Facebook. The Lord Bless thee and keep thee in perfect peace my beloved Big sis.
