“ *Uncle Cal,
I can not recall to many childhood memories that you weren't in. I think back to the times playing in the streets with Josh and Janessa running around all over Marysville and all thru those years, years I recognize now as some of my best years and fondest memories there you were, fishing, camping and that time we went swimming somewhere in Loma Rica and you being you jumped from that really high rock with everyone yelling don't do it, in you went, I remember my dad and someone else pulling you out with a broke arm or shoulder but dammit man you jumped! I Love you uncle Cal and wish as an adult I'd spent more time with you.... You are so missed and may you forever watch down on the rest of us till we all meet again I love you so*

We shared good times together. They have lasted a lifetime. Andy and Josh playing together. Listening to good music. My cousin 1 more angel watching over us. Tell my daddy I love him. I will see you again on the other side, streets paved of gold. Until then much love.*
