“ *Carol could be the sweetest person. Or, just the opposite. For the most part she was carrying toward me. I will remember that about Carol. RIP Prayers for her loved ones <3*

“ *We shared a lot of wonderful memories together, the last one was when I was 18 in yuba city, with Mary Banker, and Amy Woods. I'll never forget the time we spent together growing up, her and Amy were more like my little sister than just friends.*
