“ *As a kids I loved going over to your house for Thanksgiving and seeing the laughter around the table. Especially when you and mom would start the giggles. You always showed kindness even if I got to be too much to handle. I will miss you very much.*

“ *So many memories come to mind when I think back on the years I was privileged enough to have with my grandma. She was such a kind, caring, and, overall, wonderful person. All the times we came to your house over the hot summer to take a dip in the pool, camping trips with the family, and the numerous holidays spent together will be greatly missed. Love you so much, grandma. Rest In Peace.*

“ Rest In Peace, Little Grandma. I love you so much and you will be missed dearly. One of my favorite memories was getting chased around your house when we were little kids with a fly swatter. Some of my best childhood memories were spent with you.

Love,
