“ I had no idea your mom passed. I loved her. I stopped to see her after her stroke and we visited for about an hour. I couldnt really understand alot of what she said but some of it I did. So I just did what I always do and hugged her for a long time and told her I loved her and left my number and went home. I wish I would have went back to see her again. Anyway, now her and sheela are kicking it in heaven together. I cant wait to join them. Edie McAlister.
