“ I have the best memories of spending time with the VanZandt family while I was growing up. Loved visiting the Rocklin house and playing on the cool granite rock out front. Then later enjoying our yearly pilgrimages to the orchard to gather walnuts. I had more fun catching the tiny tree frogs from the dewy ground. Jeanne had a laugh that was truly contagious and you couldn't help but laugh along. Our family has lost special friends...first with Vern and now Jeanne. At least they are together again. Rest now sweet friend.

Warmly, Paula Anderson Westeren
