“ To my uncle, whom was supposed to be the man to walk me down the aisle, i miss you dearly.. our family changed for the worst after you left... i regret taking our short time together for granted... i think about you everyday, and miss you so much more. you being gone has only changed our family for the worst... i wish i could call you and ask for advice one more time.. 😞

“ To my nephew Justin. I am going to miss you so much. I want you to know that i am going to miss making you get mad at me when i went to see you. I'm never going to for get you voice when you would say shut up uncle Donnie, but there was a reason i did that for and your mom knew why. RIP my nephew. I will see you again. Love you. Your Uncle Donnie.

“ Brenda,Ashley and family I hope that you all are doing as well as can be expected. It's never easy losing someone you love but when it's so sudden it seems harder. Just know in your hearts Justin knew that he was loved and that he will be missed. Just know if there is anything any of you need please let me know . In my thoughts and prayers.
