

Mabel Delphine Carter

January 5, 1927 - July 2, 2016

Mabel Delphine Carter passed away in her sleep on July 2, 2016 finally at peace after years of convalescent illness. She had been lovingly cared for by her immediate family, which allowed her to live out the end of her life in her own home.

She is survived by her daughter, Charline Gonder, grandchildren, Cirsten Gonder and Charles Gonder (Ananda Gonder) her friend Dr. Ike, and a large extended family and friends filled with many others that called her mom and grandma.

Mabel celebrated everything about life. She loved playing cards, visiting with family and friends, ceramics, reading and enjoying good food. She had outlived the love of her life, Bob Carter, her husband of 59 years. Before her convalescence, Mabel belonged to the local Moose Lodge chapter (where she obtained College) and the Marysville Art Club (2 terms as president). She was deeply participatory in the local community. Always full of joy and sassy attitude, her random humming and contagious laughter will be missed.

Services will be held at the Marysville Art Club (420 10th Street, Marysville, CA) on Saturday, July 9 at 2:00 p.m.
