“ *Mark was always a great guy to be around. He always had a smile on his face and greeted me a hearty "Good morning" or "Good afternoon". It really broke my heart to hear of his passing. He will be missed. - Janet Frye*

“ *They say when a person has been through the worst of times... it can make them a monster or the nicest person you will ever meet. I never met a nicer person in my life, then Mark. He gave his best always, and did everything in his power to make sure everone was doing good around him. I saved this photo because I was on vacation and I thought it was great to see your dad so happy and proud of his kids. His world truly evolved around them. I loved that about him. He will be missed.*
