“ I am saddened to hear of the loss of uncle Paul. I only wished I had made the trip to visit him and hear him play with his band. I loved talking with him and hearing his voice- it reminded me so much of my Dad, his brother, Chris. Our deepest sympathy to Paul's family. Robby & Lynn Berkheimer

“ Sending our deepest sympathy to all of Uncle Paul's family. We had such a musical family growing up. There were so many occasions with my mother playing the piano and uncle Paul playing the guitar. It's hard to remember a time that we were all together that somebody didn't bring out an instrument and start singing. With warm thoughts and prayers.
