“ I was very sorry to read about Pete's passing, and my sincerest condolences go out to Pete's family. I did not know him well but we both went to YCHS and I will never forget the kind words he left to me in a profile note on Classmates.com. He wrote that he had remembered me as always being a bright ray of sunshine... I thought wow that has got to be one of the most nicest things I had ever been told, and I regret having never thanked him for it, but thought I would share it now with his loved ones so you would know how much it meant to me. What a kind soul he must have been and he will most certainly be one of heavens brightest rays of light now... May God bless him and bring comfort to all of those who loved him.
