“ She will always be in my heart and memories. She was my little sister. And we share some wonderful times. She will always be missed. As a family we will try to help her children as much as possible. They were the reason she went on. Love you so much.

“ I remember when we went to seacliff, I was 19 (Easter I think) She was maybe 13 14? when (Tom and Josie had just got together). Ruthie went into the water and didn't bring a change of clothes, I gave her some of mine back then I was a size 7 she put them on and they slid right off .. I felt horrible because she didn't have dry clothes.. That is one, of the many memories I had of Ruthie. She always cracked me up. She was a goofball.
A beautiful soul, heart of gold and a kindered spirit. I will always hold a special place in my heart for her. She is in the arms of our creator, no more suffering, no more pain.

“ *Ruthie was one of the strongest and most kind hearted person I have ever met. She touched the hearts of so many. I am extremely honored to have been blessed with her in my life. Ruthie will always hold a special place in my heart. I am heart broken to let her go but I know that she is not in pain anymore and now at peace. God gained one special angel ❤️ I think the Lord for blessing me with the Garcia family. We may not be blood but you all will always be my family. May you rest in peace my beautiful guardian Angel.*
