“ *I will never forget taking the girls to get tattoos before Shadow shipped out to Korea,they were so excited. Then going out to sushi and tattoos before her heading to TN,we talked about doing all the concerts the summer she was home. I would tell her all the time to just run away and come home,she would say it's not worth it that she will be home soon. ..I am very grateful and beyond blessed to have had time with Shadow. You will be soooooo missed kiddo*
