

Shane Avery Shippen

November 24, 1976 - May 9, 2020

Shane Avery Shippen was born November 24th, 1976 in Yuba City California, to Leonard "Unkie Shippen and

Debra "Debbie Shippen. He was 43 years old and resided in Tierra Buena, California.

As a child most of his years were spent living in Hallwood, California. He enjoyed all outdoor activities, and

baseball. He was active in Cub Scouts and Boy Scouts of America. He could also climb anything with zero fear of heights!

He attended Elementary School at Cordua School in Hallwood, Junior High School at Gray Avenue in Yuba City, and Yuba City

High School until late junior year, He obtained his High School Diploma from Albert Powell High School in 1995, also in

Yuba City. As an adult he loved spending time with Family, Friends and his children. Rather the river or a bon fire night.

A beloved Son, Grandson, Brother, Cousin, Dad, Grandfather, Uncle and if you were a friend you were Family! He was a

joker and could make anyones bad day, turn good. Rather with a joke, a funny face or just his caring sweet voice with

words of wisdom. He was Honest, and so loving. He never asked for anything in return of all his good

deeds. Though he lived a simple life with little to show, he loved, celebrating the success of those he loved, with admiration and

heartfelt sincerety. He lived his life by his own design! His SMILE lit up and

radiated the Universe. His laugh was an infectious sound that will be surrly missed. He was also known for his Ninja capabilities

he probably could have been a stunt double in Hollywood due to his fearless endeavours and parkour style jumps and twists.

He is survived by His Two Children Jordan Shippen, and Sierra Shippen. Two Grandchildren, His Parents Unkie and Debbie Shippen,

A brother Cameron Shippen and Two Sisters, Shauntel Shippen and Kimberly Hughes. He had three neices and four nephews.

A viewing will be Monday May 18 from 5-7pm at Holycross Funeral Home.

Celebration of Life gathering is pending.

“ You will forever be my first best friend and My Brother! The memories we had together can not be stolen or forgotten! As kids we played things such as Dukes of Hazard, and our curiosity for what was inside of stretch armstrong got us in some trouble. Then there were the pheasant pens where we used to jump across the tops like the worlds biggest trampoline! (Aunt Peggy never liked that much) ;) Then it was bon fires at high school parties (We never snuck out though, tee hee, Love you Mom and Dad) Fighting over football teams in a house divided, Cam and his 49ers, you and your Raiders and I and my Cowboys. Our summer fun at the river, where you were the rope swing king, and before we knew it starting our own families. Thank You for those two beautiful souls. Although, when I moved away and time made it hard to return when we saw each other it was always valuable time spent and you always made me feel so important to you! I will miss absolutely everything about you! Love Always- Kimberley

What I remember most about Shane is his quick witted come back responses that made you laugh. The random things he would say that made you look at him and say huh, as he had that charming and slightly devious smile on his face. He will be missed.
