“ Stevie Lynn, sweetheart through Johnny's soul you came into my life and became such a blessing to me❤️ I'll treasure our memories, the time we went to Laguna Beach and I promised you my little convertible Bemmer you made me a pull tab bracket and it still there in the Bemmer where you left it, it will remain there and never be removed 😭❤️  
My heart is so empty, I'll forever miss your beautiful face and I'll keep your voice treasured in my heart, until I'm with you both again ❤️ I know the heavens are shining with you & Johnny in their presence❤️ I love you so much beautiful angel ❤️

“ *Stevie Lynn is one of my oldest friends from high School, there was one week where we eating nothing but Maria's enchiladas from Maria's Taco Stand. There were countless trips to the river, or just driving around doing absolutely nothing. She was my favorite thrift store shopping buddy. We both grew up and grew apart but then came back together after I had my son. She helped us both out so much. Allowing my son and I to live at her place for a week while I sorted my things out. A favor that I extend back to her right before she passed. I will never forget her smile and her laugh and the little things that she did that were just so Stevie. She will be forever missed.*
