*He was my favorite uncle, and I have some of the best memories, spending time at the house on Pennington. Uncle Bill (and Aunt Jo) gave me my first taste of frog legs, let me practice my first "church hymn" on their piano, gave me my first dog, and just loved me. Uncle Bill, hug my Mom and Dad really tight for me and tell them I love them. See you on the other side.*

*My Dear Sweet, Uncle Bill, thank you for Teaching, me, my sisters Pam and Nancy, Uncle Randy, and Billy Gaylon the Bible at your home when we were Teen Agers, and needed Godly advise on how to be a child of God while growing up. It made a huge difference in all of our lives, and I am so grateful for that and for aunt JoAnn Teaching children's Sunday School, I often think about all the stories you not thaught us about in the Bible. I truly believe that it shaped and molded our lives in a deep profound Spiritual and dynamic way that quided us all through some very hard times in our lives, and kept us on the straight and Narrow Parh. All the thinks about Our Lord and Savior has brought us to the Cross of Salvation, and for that, I,*
